How is everyone doing on the loom project from the last meeting? I think they are really fun—once you get past the first row—but I have a long way to go to finish the six I ordered! We're all anxious to see the completed projects, so bring them to the next meeting. Thanks to the teachers and to Sandee for bringing feathers that had been discarded by her beautiful birds. They'll look great on the finished loom projects.

At the September 1 meeting we will be working on the Christmas decorations. We decided to use these to decorate a wreath to donate to a nursing home, children's home, or shelter that is not so "famous" that it receives lots of donations. If anyone knows of such a place, please let me know. Better yet, come to the meeting and voice your opinion.

Danette has resigned as secretary/librarian. If anyone is willing to take this position for the rest of the year, please call me at 396-9868.

Speaking of officers, it's nearing the time to start thinking about officers for next year. All volunteers please let me know!!! If my phone is busy from so many of you calling at once, please try again later. ☺

Bead happy,  
Linda
