We are still working on the Beading for the Breast Cast that will be auctioned off for Breast Cancer. This is thru Breast Impressions all funds raised will be donated to Tulsa Project Woman Inc. Please feel free to check out those web pages for additional info. What we need is MORE BEADERS!!!

Would you like to make flowers, butterfly or leaves.

We need them in flat beadwork like peyote, herringbone or brick stitch.

Our theme seems to be around spring time and flowers.

I will bring the cast to the May meeting along with the idea sketch so you can see what we are working towards. We want to knock their socks off at the auction with our work.

Any help will be greatly appreciated.

Thank You
